

# IT Suite Rental

Perfect for training sessions, smaller meetings, interviews and one-to-ones.

## What we offer

SBK's IT Suite uses the latest technology to offer a great environment for any company to hold training, meetings or any other event. Seating up to 12 delegates plus presenters, it's a great way of getting a team together outside of the normal working environment to work on something specific. The adjoining breakout space is perfect for serving refreshments and lunch which can be arranged as part of your booking.

- ✓ 12 Windows PCs
- ✓ Microsoft Office pre-loaded

With our purpose-built training academy, we offer an extensive range of training courses which have been developed and led by specialist staff to benefit you. With the IT world evolving continuously, it is important your skills and experience are updated to keep your organisation ahead of the competition. The right training ensures you and your staff save time, increase productivity and get the most out of the software we provide.

We run a variety of courses to include IT, Business Skills and Health and Safety with flexibility to offer a specific course or topic, whether it be one-to-one training, classroom bookings or on-site training. Just get in touch, we'd be happy to put something together for you.

## Example Courses
